## ***Motto***

"Scientific Knowledge for Justice"

## ***Mission***

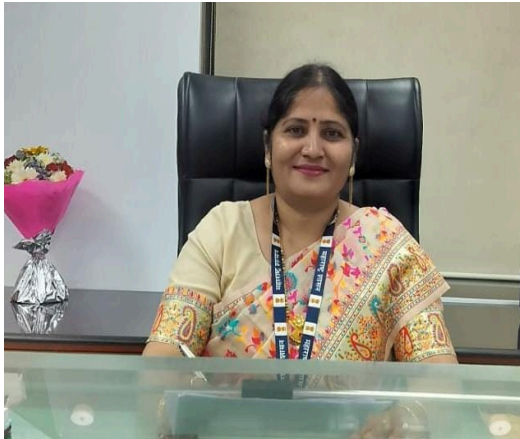

To provide quality education through innovative pedagogical practices for the enhancement of investigative and forensic skills with ethics and integrity.

To harness potentials amongst the students so that they can become excellent forensic experts to aid the legal system and overcome the dynamic challenges

To create and innovate scientific temperament to conduct research in the field of forensic science and allied sciences.

To support and execute outcome based education through collaboration and integration with stakeholders.

## DIRECTOR'S DESK

"Every contact leaves a trace."

- Dr. Edmond Locard

The present day investigation is based on the above quote , which is one of the principles of Forensic Science. The fascinating field of Forensic Science helps in the scientific investigation of crime and thus making our society a safe place to live. With the vision and motto to provide an excellent workforce in the field of Forensic Science the Institute of Forensic Science, Mumbai strives in contributing to the criminal justice system.

As Director of the Institute of Forensic Science, Mumbai, I welcome everyone to be part of this Institution. Our institute stands as a beacon of excellence and innovation in the heart of Mumbai. With cutting-edge facilities, with dedicated staff, we are committed to advancing forensic research, education, and practice. Forensic science is not just a profession; it's a calling—a solemn duty to seek truth and pursue justice. Collaboration is paramount in our pursuit of excellence, as we work closely with professionals and academic institutions to push the boundaries of forensic science. Our impact extends beyond labs and classrooms; we are catalysts for change, advocates for justice, and champions of truth. Upholding professionalism, integrity, and ethical conduct, we embrace diversity, creativity, and collaboration as the cornerstones of our success. Together, we have the power to shape the future of forensic science and leave a lasting legacy of excellence and service. I am honored to lead this institution and confident that, together, we will achieve great things. Here's to a future filled with discovery, innovation, and justice for all.

# Institute of Forensic Science, Mumbai

**Dr. Homi Bhabha State University (HBSU)**

**e-Prospectus 2024-2025**

Institute of Forensic Science was established in 2009 by the Department of Higher and Technical Education of the State Government of Maharashtra, with the aim of creating a world-class curriculum in the field of Forensic Science to educate and train young minds to counter the rising crime scenario in the country. The institute offers several courses including, **B.Sc.** in Forensic Science, **M.Sc.** in Forensic Science with **specializations** in Questioned Documents, Fingerprints and Biometrics, Digital and Cyber Forensic and IT Security, Forensic Physics & Ballistics, Forensic Chemistry & Toxicology, Forensic Biology, Serology & DNA Fingerprinting, as well as **Post Graduate Diploma** courses in **Forensic Science** and **Cyber Forensics**. In the due course of time, the institute also aspires to be starting a number of short-term courses for professionals in a variety of forensically essential subjects, such as Questioned Documents and Fingerprinting, Forensic Journalism etc.

Institute of Forensic Science is a constituent college of Dr. Homi Bhabha State University, Mumbai and is housed under one of the most historically beautiful heritage buildings of the city- the Institute of Science, Mumbai. The campus is exorbitant with natural beauty as well as highly well-equipped with all essential modern infrastructures, including excellent instrumental and library facilities. Academically, the Institute consists of 7 multidisciplinary departments, namely, Department of Forensic Science, Department of Forensic Chemistry, Department of Forensic Physics, Department of Forensic Biology, Department of Forensic Psychology, Department of Digital and Cyber Forensics, and Department of Law. The ultimate goal of the institute is to provide a world class forensic curriculum suiting the students, crime detection agencies, corporate offices, banks, etc. which will ultimately open up job opportunities for the students and allow them to assist the criminal justice system in the country to its maximum competence.

Institute of Forensic Science recently completed its NAAC cycle with resounding success, achieving a commendable B+ Grade during the evaluation process. This achievement is a testament to the institute's commitment to excellence in education and its continuous efforts to enhance quality standards. The rigorous evaluation by NAAC has not only validated the institute's academic and administrative processes but has also provided valuable insights for further improvement.

As the institute celebrates its achievement in the NAAC evaluation, it also looks forward to building upon this success and further advancing its mission of academic excellence and holistic development. Through continued collaboration, innovation, and a steadfast commitment to its core values, the Institute of Forensic Science aims to continually raise the bar in forensic education and contribute meaningfully to the field.

Institute of Forensic Science, Mumbai has implemented NEP-2020 from the last academic session 2023-24 for the Post Graduate Courses. Institute is committed to implementing a new credit-based curriculum for undergraduate programs in line with NEP-2020. This curriculum reform aims to provide students with a holistic and interdisciplinary learning experience, fostering critical thinking, creativity, and problem-solving skills. It will generate contemporary and relevant infrastructure and provide undergraduate and post-graduate programmes in diverse disciplines under **choice based credit system (CBCS)**. The CBCS will adopt a cafeteria approach, where the students will be given freedom to select some courses from an array of courses as per their preferences. The students may take some of the courses across the constituent colleges. The programmes will be dynamic and demand driven. The students may participate in various activities organized by the constituent colleges.

**Address:** Institute of Forensic Science, 15, Madame Cama Road, Fort, Mumbai - 400032.

**Website:** <https://www.ifsm.ac.in>

**Email:** [institute.forensicscience@gmail.com](mailto:institute.forensicscience@gmail.com)

For UG Admission: [ugadmissions@ifsm.ac.in](mailto:ugadmissions@ifsm.ac.in)

For PG Admission: [pgadmissions@ifsm.ac.in](mailto:pgadmissions@ifsm.ac.in)

**Telephone No:** 022-2217645 (10:00 am - 5:30 pm)

## **Library**

The library of Institute of Forensic Science serves as a treasure trove of knowledge, boasting a diverse collection of books covering a wide range of subjects relevant to forensic studies. From foundational texts on forensic science to advanced research publications, students have access to resources that enrich their academic journey. Additionally, the library goes beyond conventional boundaries by offering materials tailored to competitive exams , empowering students to excel not only in their academic pursuits but also in professional certifications essential for their career advancement in the field. With its extensive collection and commitment to supporting multifaceted learning, the institute's library stands as a vital hub for academic enrichment and professional development.

## **Laboratories**

Every department of the Institute is well equipped with sophisticated instruments. Every year new facilities are added. Detailed list of sophisticated instruments in the Institute is available on the website. Most of the labs are high-tech labs and are used for research work.

## **Computers and Internet Facilities**

All the departments also have computers and are well equipped with internet facilities. Computers are made available freely to the students.

## DIGITAL AND CYBER LAB

### **Class-rooms**

The students' satisfaction is of paramount importance for the Institute. To provide them satisfaction, the institute has evolved an effective method of teaching in the high-tech classrooms which have good seating and lighting. The classrooms are equipped with overhead projectors as well as LCD projectors. Several departments like **Forensic Science, Chemistry, Physics** and **Biology** have modern teaching aids like **Interactive panels, Projectors, Visualizers** etc. Most of the lectures are conducted using ICT facilities.

## **Hostel Facility**

There are hostel facilities available for the students, for boys and girls by the Government of Maharashtra.. In these hostels, a quota of seats is reserved for the Institute of Forensic Science. In the Boys' Hostel, 45 seats are reserved for the male students of the Institute and in the Girls' Hostel 50 seats are reserved for the Institute students.

For **female students** of the Institute, seats are reserved at Telang Smarak Girls' Hostel, Churchgate, managed by the Government of Maharashtra.

The students who wish to have hostel accommodation should apply to the Superintendent of the hostel well in advance in April/May. The admission procedure is laid down by the Government of Maharashtra. Girl students seeking admission to hostel must submit separate hostel admission forms prior even to admission to courses or declaration of results.

Seats are reserved in the Government College Hostel, C Road, Churchgate for **male students** enrolling at the Institute of Forensic Science. A separate application form should be submitted for the admission to the hostel.

## **Security and Safety**

The Institute offers a very safe and secured environment with Close Circuit Cameras installed at all important places inside the premises and round the clock security. The Institute also has firefighting equipment in place.

## **STUDENT MENTORING AND SUPPORT**

### **Philosophical Association**

The Philosophical Association of the Institute organizes various cultural events, lectures on various current issues, Annual day Celebration with the help of Students' Council for the Institute students. The main aim of the Philosophical Association is to build up confidence in the students, ensure an all-round development and encourage qualities like organizational ability, leadership, public speaking, team spirit, sportsmanship, crisis management etc. Activities conducted by the Philosophical Association provide a platform for nurturing the innate talent of the students through various intercollegiate activities including elocution, essay writing, quiz competitions, dance, music, rangoli, painting etc. to hone the latent skills of the students. Financial aid is provided to the students for participation in extracurricular activities like sponsoring the entry fees for various intercollegiate competitions, research activities etc. An interesting feature of the festival is the selection of Mr. and Miss Institute based on personality contests.

### **Intercollegiate Fests**

Students are motivated to organize intercollegiate bioscience events like Antarang Fest which is held every year during the month of January. It is hosted by the Cultural Department of the Institute along with the whole Students' Council. These activities are instrumental in bringing out the leadership, management as well as organizational skills in the students.

### **National Service Scheme (NSS)**

The Institute boasts of the only NSS unit at both Undergraduate and Postgraduate level in the University. The NSS unit of the Institute organizes various activities. These activities are used to inculcate social concern in the minds of the students especially for the community development, women empowerment, spread of literacy and promotion of peace and harmony.

## Scholarships and Fellowships

Students are offered various scholarships and fellowships as per merit and requirements. The students from SC / ST, OBC and economically weaker sections are supported financially by the provision of freeships and scholarships received from the Government and other agencies.

Various scholarships include:

1. Government of India National Scholarship
2. Government of India freeships
3. Government of India Scholarship for SC/ ST students
4. Government of India Scholarships for rural Adivasis
5. Government of India Freeships for rural Adivasis
6. Rajiv Gandhi National Fellowship for SC/ST students
7. Maulana Azad National Fellowship for minority Students
8. Junior and Senior Research Fellowships (UGC, DST, CSIR, BRNS etc.)
9. UGC Teaching Fellowship (As per UGC rules)
10. UGC Post Doctoral Fellowship for Women Candidates
11. Department of Science and Technology (DST) INSPIRE Fellowship to do Ph. D. in Science and Technology (online forms available on [www.inspire-dst.gov.in](http://www.inspire-dst.gov.in))
12. Societal Research Fellowship (SoRF) Programme for Women Scientists [www.dst.gov.in](http://www.dst.gov.in), [www.scienceandsociety-dst.org](http://www.scienceandsociety-dst.org))
13. Disha – a programme for Women Scientists
14. Post Graduate Merit Scholarship Scheme for University rank holders
15. Government of Maharashtra Minority scholarship
16. Government of Maharashtra EBC/ PTC/ STC Scholarship
17. Government of Maharashtra Technical Scholarship (As per Technical Board)
18. Government of Maharashtra Ph. D. Research Fellowship
19. Government of Maharashtra Open Merit Scholarship
20. Daxina Fellowship

21. Post Graduate Indira Gandhi Scholarship Scheme for Single Girl Child
22. Research Fellowships in Sciences for Meritorious students
23. Dr. D. S. Kothari Post Doctoral Fellowships in sciences
24. Merit Scholarships and Free Studentships by University of Mumbai  
(for students registered for different post Graduate programmes in the recognized institutions (based on Merit Scholarships and Free Studentships criteria))
25. J. N. Tata Endowment Loan Scholarships (Application forms available from the Administrative Office, Mulla House, 4<sup>th</sup> Floor, 51, M. G. Road, Fort, Mumbai 400 001)
26. Scholarships for research in Mathematics at National Board for Higher Mathematics (Application forms available through <http://www.imsc.res.in/>)
27. Summer Research Fellowship Programme at Jawaharlal Nehru Centre for Advanced Scientific Research, Bangalore (Application forms available through <http://www.jncasr.ac.in/>)

## **Placement Cell**

The Institute has a Students' Guidance and Placement Cell to provide guidance and information on various avenues for higher studies and employment options. The Placement Cell of the Institute maintains a database of the students and helps to find them jobs and placements after completion of their course.

## **Paid Internship**

Students at our institute are afforded a unique opportunity through paid internships at Government Forensic Science Laboratories, spanning a year-long duration. These internships provide invaluable hands-on training and practical experience directly related to our field of study. Immersed in real-world forensic investigations, students gain first hand exposure to the intricacies of forensic analysis, evidence processing, and crime scene examination. This immersive learning experience not only enhances their theoretical knowledge but also hones

their practical skills, preparing them for future careers in forensic science. The paid nature of these internships further incentivizes student participation and ensures that they can fully commit to gaining expertise in this vital aspect of criminal justice.

## **Annual Magazine**

The annual magazine of the Institute of Forensic Science publishes original articles written by students with prizes for the best articles and cover design. It also highlights the various curricular, co- curricular and extracurricular achievements of the students.

## **Women Development and Women Grievance cell**

The Women Development and Women Grievance Cell at our institute is dedicated to promoting gender equality and addressing concerns specific to women. Over the past year, the cell has organized two impactful events on International Women's Day, held on March 8, 2023. One event centered around an essay writing competition, providing a platform for women to articulate their perspectives on pertinent issues. The other event focused on menstrual hygiene, hosting a workshop aimed at educating and empowering women on this essential aspect of health and well-being. These initiatives underscore the cell's commitment to fostering awareness, education, and support for women's development and empowerment within our academic community.

### **Women Day Workshop held on 08th March, 2024**

## Workshops & Seminars

Every year, our institute eagerly anticipates the arrival of National Science Day on February 28th, a date celebrated nationwide. To commemorate this occasion, we host a series of enlightening events, notably the National Level Forensic Science Expo and Investigative and Preventive Technique Workshop.

With our field encompassing seven distinct subjects, our exhibition covers all facets of forensic science. This comprehensive approach allows attendees, including laypeople, to gain a profound understanding of how crimes can manifest across various domains such as ballistics, toxicology, and cybercrime. By showcasing real-world scenarios and investigative techniques, we aim to empower individuals with the knowledge needed to recognize and respond effectively to potential threats.

One particularly crucial aspect of our expo is its focus on cybercrime. In today's digital age, cyber threats pose a significant risk to individuals and organizations alike. Through interactive demonstrations and expert guidance, we provide invaluable insights into identifying and mitigating cyber threats. By arming visitors with practical strategies and preventive measures, we endeavor to enhance their cybersecurity awareness and resilience in the face of evolving cyber threats.

Overall, our National Level Forensic Science Expo serves as a beacon of education and empowerment, equipping attendees with the tools and understanding necessary to navigate the complexities of modern-day crime and security challenges.

### National Level Workshop on Investigative and Preventive Techniques in Cyber Forensic held on 28th February, 2024

## National Forensic Science Expo - 2023

## **GENERAL INFORMATION**

### **Office hours**

The College Office shall ordinarily be open on all the working days between 09.00 a.m. and 5.30 p.m. All cash transactions will be attended to between 11.00 a.m. and 1.00 p.m. The office will remain closed on the second and fourth Saturday of every month and on Government holidays.

### **Holidays**

The Institute shall remain closed on:

- Sundays and public holidays as declared by the Government;
- Holidays prescribed by the University both for the long vacations and short breaks for the Ganapati festival and Christmas

### **Rules and regulations for railway concession**

1. Students will be issued railway concession forms for Season tickets from the station nearest to their residence and Churchgate Station/Chhatrapati Shivaji Terminus. Residential address given on the admission form will be taken as valid for this concession. **It cannot be changed during the course of the year.**
2. Long journey Railway concession will be issued to students to visit their native place, if it is declared in their application form

## **Discipline of the institute**

The institute attaches great importance to discipline and the same must be scrupulously observed by the students. Failure to comply with any of the rules, regulations or requirements notified from time to time will lead to strict disciplinary action.

- Minimum 75% attendance is compulsory for theory and practical sessions, failing which the student will not be allowed to appear for the university examinations.
- All students are answerable to the director and members of the staff for their conduct in the institute premises.
- Insubordination, abusive language, mis-behavior or conduct can lead to the dismissal of a student.
- Disfiguring walls, doors, windows and fitting or breaking furniture and such other things are breach of discipline and will be punishable as such.
- Use of mobile phones and other electronic and communication devices is strictly prohibited in the premises of the institute.
- **Smoking, tobacco chewing, use of drugs etc. is strictly prohibited in the premises of the institute.**
- No Picnics, social excursions or tours shall be arranged without the prior written permission of the Director and the consent of the Parents/Guardians. If students join an unofficial picnic or tour, the Institute shall not be responsible for anything that happens in the picnic/ tour.

## **Anti-ragging measures**

Ragging is strictly prohibited in the college premises and outside. Students indulging in ragging will be punished as per the "Maharashtra Prohibition of Ragging Act, 1999 (Mha. XXXIII of 1999) published in Maharashtra government gadget on 15th may 1999". Such students will also be expelled from the college and F.I.R will be lodged with the police against them. Moreover, it will be mentioned in the college leaving certificate of such students that they are expelled because of their indulgence in ragging. Students with the previous record of ragging will not be admitted to this Institute.

### **Internal complaint committee**

As per "Sexual Harassment of Women at workplace (Prevention Prohibition and Redressal) Act" passed by the Parliament of India in 2013 a committee is constituted in this Institute comprising of senior female faculty members, student and female lawyer.

Any female employee or students have the right to file complaint concerning any harassment against male student or employee as the case may be

As per Acts guidelines all complaints will only be accepted in writing and signed by the complainant. The identity of the complainant will be kept confidential.

### **SC, ST and OBC Cell**

To address the grievances of the SC, ST and OBC students the above cell is active.

## Programmes Offered In Institute of Forensic Science

Sr. No.	Name of the course	Eligibility	Capacity	Likely date of notification
1	B.Sc. Forensic Science	HSC in Science stream	60	After the results of HSC. Notification is declared by the Dr.Homi Bhabha State University Mumbai on official website. Student has to apply from university and institute website
2	M.Sc. Forensic Science	a) B.Sc. (Forensic Science) for 3 years with all subjects from different domains of Forensic Science OR b) B.Sc. (Hon.) with Forensic Science at academic level 5.0	20	After the results of graduation. Notification is declared by the Dr.Homi Bhabha State University Mumbai on official website. Student has to apply from university and institute website
3	PGD FSRL (Forensic Science & Related Laws)	a) Any graduate in science, medical, para-medical, pharmaceutical sciences. OR b)Any graduate working/ professional in the criminal justice system (Judges, Advocates, etc.), defense, para-military, police, banking, insurance sector, health sector, pharmaceutical, corporate sector (forensics).	40	After the results of graduation. Notification is declared by Dr.Homi Bhabha State University Mumbai on official website. Student has to apply from university and institute website
4	PGD DCFRL (Digital & Cyber Forensics and Related Laws)	a)The candidate who has passed Bachelor Degree from any Faculty with Subjects like Information Technology / Computer Science / Computer Application / Bioinformatics / Statistics / Mathematics / Electronics / Telecommunication / Physics / Chemistry / Forensic Science as one of the Subjects	40	After the results of graduation. Notification is declared by Dr.Homi Bhabha State University Mumbai on official website. Student has to apply from university and institute website

5	PGD ACNCL (Advanced Criminalistics & New Criminal Laws)	a) Any graduate in science, medical, para-medical, pharmaceutical sciences. Or b) Any graduate working/ professional in the criminal justice system (Judges, Advocates, etc.), defense, para-military, police, banking, insurance sector, health sector, pharmaceutical, corporate sector (forensics).	40	After the results of graduation. Notification is declared by Dr.Homi Bhabha State University Mumbai on official website. Student has to apply from university and institute website
6	PGD CSRL (Cyber security & Related Laws)	a) The candidate who has passed Bachelor Degree from any Faculty with Subjects like Information Technology / Computer Science / Computer Application / Bioinformatics / Statistics / Mathematics / Electronics / Telecommunication / Physics / Chemistry / Forensic Science as one of the Subjects OR b) Any graduate working/ professional in the criminal justice system (Judges, Advocates, etc.), defense, para-military, police, banking, insurance sector, health sector, pharmaceutical, corporate sector (forensics).	40	After the results of graduation. Notification is declared by Dr.Homi Bhabha State University Mumbai on official website. Student has to apply from university and institute website

## **Admission to B.Sc. Program, M.Sc. Programs & PGD Programs**

Steps:

1. Pre-registration on HBSU Website.
2. Pay processing fees of Rs. 300/- on the Account Details shown to you.
3. Note the transaction ID & take a screenshot of the transaction.
4. Apply through a Google form (Link shall be provided to you).
5. Enter all your details carefully. Wrong entries found at any stage of admission will lead to the cancellation of your candidature for the admission.
6. No need to send any documents while applying.
7. Keep your original document by hand.
8. **Provisional General Merit List & General Merit List will be published from the candidate who have applied on the University website as well as on Google form from the Institute's website.**
9. Admission list will be published by following the rules prescribed by the university and the state government time-to-time.
10. For any queries related to admission, write to the respective mail id's given below.  
For UG Admission: [ugadmissions@ifsm.ac.in](mailto:ugadmissions@ifsm.ac.in)  
For PG Admission: [pgadmissions@ifsm.ac.in](mailto:pgadmissions@ifsm.ac.in)
